

BMW CCA CLUB RACING SCHOOL

TEXAS WORLD SPEEDWAY

SATURDAY & SUNDAY, October 4th & 5th

*You do **NOT** need a prepared racecar for this school. No special equipment is required other than an approved M95 or newer helmet. While preference is given to BMWs, other makes are allowed. Entry is limited to 26 cars. There will be four 25-minute track sessions each day and 3 hours of classroom instruction each day. If you ever wondered about what it's like to go racing or if you've ever considered going racing without taking the full plunge, this school is for you. It's all about learning what it takes to race wheel to wheel in a safe, controlled educational environment. If you've been to drivers' schools ... this is the next step. Answer the "what if" in your heart or just learn what it's all about for the cost of a drivers' school.*
