

## **BMW CCA CLUB RACING ANNOUNCEMENT**

### **PHOENIX INTERNATIONAL RACEWAY APRIL 8 – 10, 2004 GRAND AM WEEKEND**

The Roadrunner Chapter has secured a time slot for a BMW CCA Club Race to be run in support of the Rolex prototype and Grand Am Cup races at Phoenix International Raceway on April 8-10, 2004. We are excited about the opportunity to partner with the Grand Am Cup since the PTG M3s are now running Grand Am, along with Turner Motorsports 330is and TC Kline's Z4s. The opportunity to be showcased with these BMW tuner racing teams is tremendous.

In addition to great racing, we will provide a BMW corral area for club members and BMW enthusiasts. Information will follow with respect to the exact location of this corral area.

The Roadrunner Chapter will also have access to event tickets, which will include access to the car corral and additional benefits. Please contact Joe Cattaneo ([joe@aandcproperties.com](mailto:joe@aandcproperties.com)) or Rick Touton ([ricktouton@aol.com](mailto:ricktouton@aol.com)) for additional information.

Together with great racing, we hope to secure a large spectator turnout so that we can make this a truly outstanding club function. We hope to see you at the races.
